

MIRANDO, JESSIE S.

BSIE 1-5N

PROBLEM: Write algorithm and draw a flowchart that shows “How to be a responsible student to be able to graduate on time”?

ALGORITHM:

Step 1: Input “be a responsible student”

Step 2: Always attend classes

Step 3: Do all homework and project

Step 4: Manage your time

Step 5: Study well

Step 6: Did you pass the exam?

 If “yes” then

 You will have passing grade

 Else

 You will have failing grade

 Endif

Step 7: print graduate on time
